PARK LANE ALA MOANA

Park Lane at Ala Moana is truly a unique, one of a kind, ultra luxury residential community nestled in a vibrant, cosmopolitan community. The inspiration behind Park Lane comes from the graceful terraced slopes of Asia, and the iconic tropical landscape unique to Hawaii. Consisting of 217 spacious residential units, each with covered lanais, from single bedroom to grand penthouses, eight low buildings slowly rise overlooking the beach at Ala Moana, with fine dining and shopping at its back doorstep. The best of what Hawaii offers is here. Welcome home to Park Lane.
